2. Please see the F.D's remarks at p. 7 ante and also the case of Shri J.V.Naik, permt. overseer in file No. ADV 1451/97813. The S.Es., Kar.I.C. and S.C. may be informed generally in terms of the F.D. ¹⁻⁷ note and they may be requested to submit to Govt. next year fresh applications of Shri K.S.N.Murthy, and Shri J.V.Naik thro' the A.G., Bombay.

3. In this con. it may be stated that the advance applied for by any officer can only be sanctioned after the A.G., Bombay, has certified the availability of funds. At present most of the local officers ^{to Govt.} forward the applications for advances, both motor car and motor cycle advances, ~~to Govt.~~ and this Deptt. then refers the papers u.o. to the A.G., Bombay, for issuing the necy. certificate regarding availability of funds. This causes some delay and in order to avoid that the local officers may be instructed to ^{to Govt.} forward applications for the advances viz., motor car and motor cycle thro' the A.G., Bombay, for certifying the availability of funds during the financial year.

Public Works Department,
Belgaum: 10th May 1951.

Subject: Advance to Shri A.M. Siddaiah,
Temp: Overseer in the Kanara Divn.,
for purchase of a motor cycle.

Shri A.M. Siddaiah, Temporary overseer in the Kanara Division on a monthly pay of Rs.132/- has applied for an advance of Rs.1500/- for purchase of a motor cycle as his conveyance.

2. The Executive Engineer, Kanara Division reports that the overseer is holding charge of the Karwar Section and has to supervise 42 miles and 5 furlongs of Karwar Bellary Road with other P.W.D. buildings on the road. In addition he has to supervise 2 major works viz: subjail at Karwar and Salt Kothar at Chendiye. The average monthly touring done is about 300 miles. He, therefore, states that maintenance of a motor cycle by the overseer is necessary in the interest of Government work.

3. It is likely that Shri Siddaiah will continue in service till complete repayment of the advance.

4. The anticipated price of the motor cycle, the overseer desires to purchase, is Rs. 2,000/-. As such the advance of Rs. 1,500/- is admissible as per G.R. (F.D.) No.2818 dated the 8th January 1951.

5. The advance if sanctioned will be recovered in 48 instalments - 47 instalments of Rs. 31/- each and the last instalment of Rs. 43/-.

6. In view of the above details, it is requested that Government may kindly be moved to sanction an advance of Rs. 1,500/- to Shri A.M. Siddaiah, Temporary Overseer in the Kanara Division, as per G.Rs. (F.D.) Nos.2818 dated the 31st May & 11th June 1949 and 8th January 1951 respectively.

7. The requisite agreement and mortgage bond as per Financial Form Nos. 29 & 29-A will be got executed from the overseer on receipt of Government sanction.

The S.E., S.C., recommends the grant of an advance of Rs. 1,500/- to Shri A.M. Siddaiah, temporary overseer, in the Kanara Dn., for the purchase of a motor cycle. The advance applied for is admissible as per G.R., F.D., No. 2818, dated the 8-1-51. The Ex. Engr., Kanara Dn has reported that Shri Siddaiah has to do monthly average touring of about 300 miles, and hence, the maintenance of a motor cycle is absolutely essential. The S.E., S.C., has reported that though Shri Siddaiah is a tempy. overseer he is likely to continue in Govt. service till the complete repayment of the advance. In view of the facts stated above, the advance applied for by Shri Siddaiah may be sanctioned.

2. The A.G., Bombay, may, in the first instance, be requested u.v. to state whether funds to the extent -

484. 112

extent of Rs. 1,500/- are available during the current financial year to meet the payment of the advance.

Submitted with reference to ~~the~~ this Department u.o.r.s. dated the 2-5-51 and 21-5-51.

2. The A.G., Bombay, has reported in all the three cases that funds are not available during the current financial year to meet the payment of the motor cycle advances to Shri P.D. Pradhan, Shri A.M. Siddain and Shri C.B. Chikmath, overseers. As no more funds are available with the A.G., necessary additional funds for sanctioning the motor run car and motor cycle advances during the current year will have to be provided by the F.D. In this connection it may be pointed out to the F.D. that there are several other cases of motor car advances pending in this Department for want of F.D.'s orders extending beyond 31-3-51 the concession granted in G.R., F.D., No. 2218, dated the 11-11-49. And in all these cases certificate re: availability of funds have not yet been issued by the A.G., and the funds have already been exhausted with that officer. It is absolutely necessary to sanction all these advances during the current year as the maintenance of the conveyances like motor cars and motor cycles are essential for the S.D.Os. The F.D. may, therefore, be requested u.o. to provide at an early date the necessary additional funds.

Reference: Govt. Letter, P.W.D. No. ADV/1451/67195E
dt. 9th August 1951.

The Accountant General Bombay was requested in this office No.G-3/AB dt. 17th August 1951 to authorize the Treasury Officer, Kanara Karwar within a week for the drawal of the said advance of Rs. 1,500/- for the purchase of a motor-cycle sanctioned in the above quoted Government letter to Shri A.M. Siddaiah, Overseer as the advance was to be drawn within one month from the date of Government sanction viz: by 9-9-1951 as required by Financial Rules 293-A (1). Again on 4th September 1951 a telegram was issued to the Accountant General Bombay requesting him to authorise the advance by wire by 6th September 1951 as 8th & 9th were public holidays. It is seen from the Accountant General, Bombay's letter No.DA-XVI-995 dated 7th September 1951 (copy attached) received in this office on 10th September 1951 that Accountant General had authorized the Treasury Officer by an Express telegram dated 6th September 1951 for the payment of said advance. But no telegram was received in this office either on 6th or 7th though it is noted in the telegram that "Repeated Roadanger Karwar". The Treasury Officer also did not inform this office in this connection. On receipt of the confirmation copy of the wire to the Treasury Officer Karwar on the 10th September 1951 a bill was preferred and presented in the Treasury Office, which was received back with the Treasury audit stating that "As per rule 293-A (iii) of the Financial Publication No. I, the bill was required to be presented within one month from the date of sanction of the advance. Payment of the advance cannot therefore be made as sanction has lapsed."

2. It was further ascertained from the Post Master Karwar that no telegram was addressed by the Accountant General to this office on 6th September 1951.

3. From the above it will be seen that with all the steps taken by this office, the bill for the advance could not be cashed in time. So I request you to move Government to sanction the advance once again as the previous sanction has been treated as lapsed. I would further request you to bring to the notice of Government in consultation with the Accountant General, Bombay that the period specified in Financial Rules 293-A(1) i.e. one month in the case of other advances may please be extended at least 2 months, as experience has shown that it is not generally possible to draw the advance within one month from the date of Government order. Similar delay was experienced in ~~handling~~ the case of advance sanctioned to Shri K.P.Chandgadkar please correspondence ending with this office No.G-3 of 19-3-51.
